**STATEMENT OF THE SUBSTANCE OF THE INTERVIEW**

A telephonic interview in connection with the above-identified patent application was held on June 4, 2004 with Examiner Zachariah Lucas and Sebastian Martinek for Applicants' representative Dr. Laura A. Coruzzi participating. Applicants and Applicants' representatives thank Examiner Lucas for his courtesy during the interview.

The Examiner informed Applicants' representative that Exhibit F that is mentioned in the Declaration Of David K. Clarke Under 37 C.F.R. § 1.131 (the "Clarke Declaration") was not received by the U.S. Patent and Trademark Office. Applicants' representative explained

that the reference to Exhibit F was not removed from the Clarke Declaration after the contents of Exhibit F had been incorporated into the Clarke Declaration at paragraphs 7a to 7r. Applicants' representatives regret this clerical error.

The Examiner is respectfully invited to telephone the undersigned to discuss any remaining issues concerning the above-identified application.
